**Subject:** FW: KSDK Interview with POTUS

Connecting the dots here. KSDK will be one of the news outlets interviewing POTUS.

Missy Glassmaker, Assistant News Director is pursuing the following:

- Congressional delegation move to change jurisdiction from EPA to USACE
- EPA relationship with Republic and how they've handled the situation thus far

Concern about moving the waste.

KSDK is asking HQ EPA to have someone sit down with them Thursday before the interview with POTUS.

Hello,

We'd like to discuss the call from our congressional members to move the Westlake Landfill out of the EPA's jurisdiction. Also, we'd be talking about your relationship with Republic and how they've handled the situation thus far. Also, we'd discuss the concern about moving the waste.

Best,

Missy Glassmaker

**Subject:** KSDK question

Hello,

We are traveling to DC today and will interview the President tomorrow. We have time to gather additional content on Thursday before we fly out and are wondering if someone from the EPA would have time to sit down with us. We'd like to discuss the ongoing Westlake Landfill issue here in the St. Louis area.

Thanks so much for your help!

Best,  
Missy Glassmaker  
Assistant News Director, KSDK
